English (リスニング) (英語(リスニング)) 50 points full. Table with columns: 設問 (Question), 番号 (Number), 正解 (Correct Answer), 配点 (Points), 解答 (Answer). Contains 25 questions.

【文系科目】

計 / 点

物理基礎 50点満点
Table with columns for question number, item number, correct answer, score, and solution.

化学基礎 50点満点
Table with columns for question number, item number, correct answer, score, and solution.

生物基礎 50点満点
Table with columns for question number, item number, correct answer, score, and solution.

地学基礎 50点満点
Table with columns for question number, item number, correct answer, score, and solution.

数学I 100点満点
Table with columns for question number, item, correct answer, score, and solution.

数学IA 100点満点
Table with columns for question number, item, correct answer, score, and solution.

数学II 100点満点
Table with columns for question number, item, correct answer, score, and solution.

数学IIB 100点満点
Table with columns for question number, item, correct answer, score, and solution.

物理 100点満点
Table with columns for question number, item number, correct answer, score, and solution.

生物 100点満点
Table with columns for question number, item number, correct answer, score, and solution.

化学 100点満点
Table with columns for question number, item number, correct answer, score, and solution.

地学 100点満点
Table with columns for question number, item number, correct answer, score, and solution.
