- 5 下の英文は、高校生のミズキ(Mizuki)が書いたスピーチの原稿です。この英文を読んで、(1)~(5)の問いに答えなさい。

Hello, everyone. My name is Mizuki. Today, I would like to talk about the things I learned through *blind soccer.

When I was a junior high school student, I learned that our city was going to hold a big sports event. My mother said, "How about joining the event? It sounds interesting, right?" I thought so, too. In that event, people were going to have lessons and experience various sports. I wanted to play blind soccer because I was a member of the soccer team in junior high school. I asked my friend, Jun, to come with me.

The next weekend, Jun and I went to the event. We saw some famous players.  When we arrived at the soccer field, Ms. Tanaka, a blind soccer player, was there. I was surprised because I often watched her games on TV before.  When the lesson began, Jun and I were so nervous that we did not know what to do. However, she was friendly and said, "Don't worry. You will have fun."

When my eyes *were covered, I felt very scared. I felt I could not move or run on the field. I could hear the sound of the ball, but it was too difficult to know where the ball was.

When the lesson ended, Ms. Tanaka told us that we should keep *covering our eyes and walk around outside the soccer field. She said, "You will learn more." I wanted to buy something to eat, so Jun took off his *blindfold and took me to the shop. I had to go down the stairs and walk through the hallway which was full of people. I became tired but *discovered a lot of things.

I thought my life would be hard if I couldn't see *clearly. Then I asked Ms. Tanaka how I could help people who can't see clearly. She told me that I should just help them when they need help. She smiled and said, "You don't have to think too much. We are not the only people who need a *hand. You *ask for other people's help when you *are in trouble, right? For example, when you *get lost, you may ask someone to help you. All of us need help from other people."

*Thanks to her words, I feel that giving other people a hand is easier. We cannot live alone, and we *naturally help each other in our everyday lives. I learned this from experiencing blind soccer.

Thank you for listening.
